RETREAT.**

A Note From Mel

I'm Glad You Found This.

You've survived the divorce. Dealt with the chaos. Made decisions you never expected. And somewhere along the way, looked in the mirror and thought: *"Who the hell am I now?"*

I created Divorce to Domination™ because divorce doesn't get to write the rest of your story. It may have changed everything – but what happens next? **That's yours to decide.** This retreat is where we start making those decisions together.

Is This For You?

You Don't Have to Have It All Figured Out.

You might be...

- Building or starting a business
- Creating your own income stream
- Considering a career change or writing a book
- Working toward financial independence
- Figuring out where to live next
- Thinking: *"I want more – I just don't know what yet."*

You don't need all the answers.

Divorce to Domination™ is for the woman who knows more is coming – even if she can't quite see it yet. You don't need a five-year plan. You just need to be ready to think differently.

 **Divorce is the event. Your future is the focus.**

What Makes Divorce to Domination™ Different?

This Is Where You Switch Back On.

Divorce affects everything – confidence, money, career, identity. Eventually the question shifts from *"Why did this happen?"* to *"What am I going to do now?"*

A beautiful private Mediterranean villa in the Alicante region. Your retreat includes your own bedroom – after a full day of coaching and conversation, you can close your door and have time completely to yourself.

Food & The Fun

Breakfast, lunch, dinner, coffee, tea, and snacks – all included. Plus our Spanish paella-making experience and final celebration dinner. Pool time, music, photography, laughter, and friendship are all part of the experience. Rebuilding your life shouldn't feel like punishment.

Single Mama Experience

Mums, This One's For You Too.

One of the biggest barriers to investing in yourself: *"Who's having the kids?"* So we've created a specialist Single Mama Experience.

📅 **19-21 February 2027** – The **only** 2027 retreat where children are welcome.

Your child can come with you and share your room. Expect family-friendly pool time, floaties, snacks, music, and sunshine – while you get the space to invest in yourself.

This is not formal childcare. You remain responsible for your child at all times. Bringing more than one child? Contact us before booking.
